

Get started with your resupply patient portal!

We're committed to making your sleep apnea therapy as comfortable and effective as possible. That's why we've partnered with ResMed ReSupply™ to bring you a simple, worry-free way to replace your sleep therapy supplies online, communicate with us and more.

Activating your ReSupply patient portal account makes it easy to:

Stop worrying about keeping track of what needs to be replaced and when

Get email and SMS reminders when you become eligible for new sleep therapy supplies.

Save time and request new supplies online

With 24/7 access to the patient portal, you can quickly request new supplies any time.

Message us

Use the secure message center to communicate with us about your sleep therapy and supplies.

Manage contacts, preferences and account settings

Update your contact preferences, insurance information, shipping address and more.

Activate your account today – here's how:

1. Go to <https://myresupply.resmed.com>.
2. Enter your **email address***.
3. Enter your **four-digit year of birth**.
4. Check your inbox for an email message from ResMed ReSupply.
5. Open the email and click the **Confirm your account** button.
6. Set your password.

*To activate your account, you must enter the email address you originally provided to us. If you don't remember providing us with an email or want to update your current email, send us a message at resupplysupport@resmed.com or call us toll-free at 1-888-333-1456.
